

Wall recessed luminaires

IP 65 Dusttight and Jetproof conforming to DIN, VDE, IEC.
Class I.

This durable wall recessed unit is a member of our rectangular shape collection with compact appearance. It offers a new completely integrated look with clean lines that are aesthetically pleasing even to the most discerning. This unit features efficient lamps which provide functional direct illumination with minimized glare as a result of low mounting positions. It provides maximum flexibility to designers which enables them to create or upgrade a project's image.
